Russell Rulau : Standard Catalog of United States Tokens, 1700-1900 before purchasing it in order to gage whether or not it would be worth my time, and all praised Standard Catalog of United States Tokens, 1700-1900:

Kraftobviously a Great Deal of research went into this catalog but it isn't easy to utilize. Great for Civil War tokens. It is somewhat limited for individual state research. I would use it as a secondary reference.

A standard catalog of tokens assembled on the same kind of basis that the famed "Bibles" of the hobby has been a necessity of years in the minds of general collectors, dealers, students, librarian and curator.
