Chester Krause, Clifford Mishler : Standard Catalog of World Coins, 1601-1700: Identification and Valuation Guide 17th Century before purchasing it in order to gage whether or not it would be worth my time, and all praised Standard Catalog of World Coins, 1601-1700: Identification and Valuation Guide 17th Century:

0 of 0 people found the following review helpful. Standard Catalog of World Coins - old edition By BeeHofI ordered the book from this vendor because it was the lowest priced available. It provided me with the information I wanted, i.e. an overview of coins of the period with their description. However, it would not have been useful to anyone looking for current information - it was an old edition. Description of product should include edition number and date of publication to differentiate price differences. Delivery was a little slower than promised by .0 of 0 people found the

following review helpful. Coin Collector's choiceBy API bought this for my brother back home who is a pro-coin collector and using this one with his 18th century coin book every time he would like to reference any old coin he come across.0 of 0 people found the following review helpful. Five StarsBy Mario D.Great catalog

This title provides coin prices in up to five grades of condition for coins made between 1601 and 1700. It has been updated and reformatted to provide far more detail than previous volumes.

About the AuthorChester L. Krause started Krause Publications in 1952 with the first issue of Numismatic News. In 1972, he and Clifford Mishler coauthored the company's first book, Standard Catalog of World Coins. This hobby standard launched the beginning of book publishing at Krause Publications, sparking the flame that would help create the world's largest hobby and collectibles publisher. Since 1952, Chet has been a steadfast figure in the numismatic world. Clifford Mishler joined the company as a member of the numismatic editorial staff in 1962. He has served on the U.S. government's annual Assay Commission and on the Coins and Medals Advisory Panel of the American Revolution Bicentennial Commission. In 1984, the American Numismatic Association recognized his lifelong dedication to numismatics and presented its highest honor to him, the Farran Zerbe Memorial Award. Employed at Krause Publications since 1975, Colin R. Bruce II oversees production of all numismatic catalog titles that relate to foreign coins and paper money. He has earned 16 awards from Numismatic Literary Guild for his work. Other books he has contributed to include all editions of Standard Catalog of World Paper Money, Collecting World Coins, and Standard Catalog of World Gold Coins.
