New edition meets expectations (again) By Customer The catalogue series, which has a new issue for each of the three, continually improve the depth and breadth of the offerings, wonderful pictures and the new edition will have enough price increases in your notes to more than justify the purchase price. There is a market for the catalogue the new edition replaces. 0 of 0 people found the following review helpful. highly recommended!! By MARIO peru Very accurate, fast shipping, item received safely, highly recommended!!, Thanks 0 of 0 people found the following review helpful. Not much updated. By Flying Tiger I think the folks at Krause have been "phoning it in" ... virtually nothing updated, mistakes reported to them are not fixed, and

increasingly disjointed from the market.
