Mike Carwile : Standard Encyclopedia of Carnival Glass: Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Standard Encyclopedia of Carnival Glass: Price Guide:

0 of 0 people found the following review helpful. Very fact filledBy Robert SmithNot exactly as I'd hoped but probably my own fault not reading the description closely. More useful to advanced collectors0 of 0 people found the following review helpful. No photos except for coverBy DLPMMy fault in not reading description. However, one review referenced beautiful photos. What photos? Absolutely useless in identifying items. The word Encyclopedia in the title is misleading -- as was that review. The price guide was not why I bought it. Prices change before the ink is dry. You need to go on the web to look at current sales to get current values.0 of 0 people found the following review helpful. This book was no help to me whatsoever. I ...By Phyllis PratherThis book was no help to me whatsoever. I need something to help me with Indiana Blue Carnival Glass and this book had nothing in it to give me any clues about the patterns, nor price. I will continue to look elsewhere.

One of our more popular titles, this eleventh edition introduces around 75 new patterns and over 245 replacement photographs which have been upgraded with digital images for improved clarity, bringing this edition's total to over 2,000 color patterns. Grading information as well as new sections on base/feet identification and Inca bottle variations are also included. The bound-in price guide also includes virtually every piece of carnival glass ever made with prices given for various colors in each pattern. A multitude of both American and foreign companies are represented, and brief biographies on companies such as Dugan, Fenton, Imperial, Northwood, Cambridge, Westmoreland, Fostoria, Heisey, McKee, Jeannette, and the U.S. Glass Company are included. 2008 values.

This popular title includes thousands of color photos and a bound-in price guide containing virtually every piece of carnival glass ever made, with prices given for various colors and items in each pattern. New sections include base/feet identification and Inca bottle variations. About the Author Mike Carwile is a noted expert on pressed, carnival, and opalescent glass, and has been authoring books since 1996. His knowledge is unsurpassed in the glass world. He has co-authored books on carnival glass, millersburg glass, opalescent glass, and pressed glass.
