For the Machin collector, this has a very precise and concise set of listings. I was disappointed that the binding was a bit loose, but not a real problem. For the collector as well this is a must, it covers the same ground as other Gibbons catalogs (I am referring to the multi-volumn set) but does so in a much more economic way. I was more than satisfied with this book!1 of 1 people found the following review helpful. This is not
