Sam Van Olffen : Steampunk: The Art of Sam Van Olffen 2015 Wall Calendar before purchasing it in order to gauge whether or not it would be worth my time, and all praised Steampunk: The Art of Sam Van Olffen 2015 Wall Calendar:

Steampunk is a hugely popular art style that has morphed from a little-known subgenre of science fiction into a pop culture phenomenon. The Steampunk wall calendar features the dramatic retro-futuristic creations of French artist Sam Van Olffen. A year of awesome Steampunk artwork on your wall. Frameable artbook-quality printing. The perfect gift for Steampunk fantasy art lovers. Printed on FSC Certified Mixed Source Paper with soy-based inks. Published by Amber Lotus, a carbon-negative US publishing company that has planted more than 330,000 trees since 2008. This calendar features US and Canadian legal holidays, phases of the moon, and important observances of the world's major religions. A literary tradition, Steampunk pays homage to the worlds envisioned by writers like H. G. Wells and Jules Verne, where anachronistic machines shape human destiny in steam-powered visions of alternate realities. As a design aesthetic, it is heavily influenced by surrealism and cyberpunk. Based in an alternate past or future where steam-powered machines prevail, artwork inspired by the Steampunk movement combines historical and futuristic elements,

mixing straightlaced Victorian-era sensibilities with space-age technology.
