Ying Lee : Stylish Stores: Visual Gusto for Shoppers (Volume 1 and 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Stylish Stores: Visual Gusto for Shoppers (Volume 1 and 2):

Presents 94 stores and the concepts behind their design

'Creating a concept for a store, in my opinion, is one of the most exciting challenges in Architecture because it is the expression of the brand that has the most intimate contact with the public.' Mila Strauss, Interior Designer
