Oguz Tekin, Aliye Erol Ozdizbay : Sylloge Nummorum Graecorum Turkey 9: The Ozkan Arikanturk Collection Volume 1 Troas before purchasing it in order to gage whether or not it would be worth my time, and all praised Sylloge Nummorum Graecorum Turkey 9: The Ozkan Arikanturk Collection Volume 1 Troas:

This catalogue presents part of the Özkan Arikantürk Collection 827 coins from the cities of Troas. All coins were

bought between the years 1990-2013 by himself in Burhaniye where ancient Adramyteum lies. Alexandria Troas is the city with highest representation, by ca. 200 coins. The catalogue also includes rare examples from the cities of Achilleion, Aioleion, Ophryneum, Pionia, Scamandria, Thymbra, and Zeleia.
