John Miller Morris Jr. : Taming the Land: The Lost Postcard Photographs of the Texas High Plains (Clayton Wheat Williams Texas Life Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Taming the Land: The Lost Postcard Photographs of the Texas High Plains (Clayton Wheat Williams Texas Life Series):

1 of 1 people found the following review helpful. beyoud my expectationBy CustomerDon't let this cover fool you this book is full of images and texts. This is not a simple photo book with nostalgic photos. I was very impressed and surprised at the depth of knowledge included within the covers of this book. I have an interest in Texas history but had very little working knowledge of the high plains this book is a great snapshot into cultural history of a different time. I originaly bought this book for a gift it is now going to remain on my bookshelf. Even if your interest are just in early photography this book will not disapoint. I can't wait for the next installment in the series.0 of 0 people found the

following review helpful. Beautifully written. As a postcard collector
By Debra S. Little-Wilson
Beautifully written. As a postcard collector, I am glad this information was gathered, written and published. As someone who loves history, I loved the way the story is told.

By Paul T
Wonderful resource about the enchanting High Llano.

A postcard craze gripped the nation from 1905 to 1920, as the rise of outdoor photography coincided with a wave of settlement and prosperity in Texas. Hundreds of people took up cameras, and photographers of note chose some of their best work for duplication as photo postcards—sold for a nickel and mailed for a penny to distant friends and relatives.

About the Author JOHN MILLER MORRIS is associate professor of political science and geography at the University of Texas at San Antonio. He specializes in the historical geography of the Southwest and is the author of three books, including the multiple award winner *El Llano Estacado: Exploration and Imagination on the High Plains of Texas and New Mexico, 1536–1860* and *Private in the Texas Rangers: A. T. Miller of Company B, Frontier Battalion*. He resides in Austin, Texas.
