Mark Allen Baker : Team Baseballs: A Comprehensive Guide to the Identification, Authentication and Value of Autographed Baseballs before purchasing it in order to gage whether or not it would be worth my time, and all praised Team Baseballs: A Comprehensive Guide to the Identification, Authentication and Value of Autographed Baseballs:

4 of 4 people found the following review helpful. Team Baseballs: Comprehensive guideBy Robert DuitzIf you collect team baseballs, this is the reference book you will want to own. However be aware it only covers up to 1991. It is a great source of who the key players by year and team. It also lists all-star teams and key players. It does, however need to be updated to reflect current values, players and teams after 1991.
