Delia Wach, Martin Wach : Teddy Bear Guardians of the Rain Forest before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Teddy Bear Guardians of the Rain Forest*:

1 of 1 people found the following review helpful. Great Story By Jayne An introduction to the rain forest with science in the story. A fun experience to read to a child with wonderful illustrations.

Combining Delia's delightful and highly popular teddy bear art with a magical tale, this book takes us into the fascinating world of the ever-shrinking rain forest in Suriname. As we spend a day with Obeah, a learned Medicine Bear, his daughter Fiba, and three Teddy Bear cubs -- we learn about the importance of the rain forest and its flora and fauna, from poison dart frogs to colourful parrots and big-beaked toucans.
