Margaret Mandel : Teddy Bears and Steiff Animals: First Series before purchasing it in order to gage whether or not it would be worth my time, and all praised Teddy Bears and Steiff Animals: First Series:

0 of 0 people found the following review helpful. always check the date the book was published to ensure you'll find the information you're looking forBy denise gauthieri bought the book to find out the value of a 1980's limited edition polo ralph lauren bear and, though the book is lovely, it must have been published in 1980, thus the "contemporary

bears" were all 30 years old and of no use in my research2 of 2 people found the following review helpful. Not an encyclopedic referenceBy Nom DePlumeIf you are looking for an encyclopedic reference to the Steiff line of animals and bears, this is not for you, so that's why 3 stars. The title is a little misleading. As others have noted, it's more of a photo book of other peoples collection pieces, with a little general info front matter thrown in. It's particularly weak on identification of pre-1940 animals.0 of 0 people found the following review helpful. Not what I hopedBy jrgI had an old copy of the Steiff Sortiment and this sounded much like it. It wasn't even close.Very few pictures of the different animals. No real price guides. Pretty much a waste of time.If you can afford it, find a copy of the Steiff Sortiment.

This series is considered to be the standard reference among collectors of teddy bears and Steiff collectibles. Each book contains hundreds of full-color examples, loads of information, complete descriptions, and collector values. Over 500 photos are included in this first series with hundreds of bears and animals from 1903-1980. 2000 values.

REVIEW: This book continues to be a proven seller and is reprinted with updated values. It provides an excellent overview of postcard collecting, with the work of many different artists shown, some publishers, and other categories. Categories include Christmas, Indians, World War I, Advertising, Harrison Fisher, Novelty, Blacks, and Political.
