**United States Postal Service : The 2004 Commemorative Stamp Yearbook** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The 2004 Commemorative Stamp Yearbook:

1 of 1 people found the following review helpful. These are amazing collector albumsBy WilliamThese are amazing collector albums. I got these for birthday presents for a friend's children. If these were available when I was growing up and collecting stamps, I would have several of these for every year.0 of 0 people found the following review helpful. as advertisedBy Martha Fleshernew condition

American artists contribute immeasurably to our national life, and this year's commemorative stamp program highlights their wonderful creative legacy. From Dr. Seuss and John Wayne to The Art of Disney and American Choreographers, the 2004 stamps elegantly encapsulate the artistic talents of the United States in a variety of fields, including dance, painting, literature, theater, and film. This new edition of the Commemorative Stamp Yearbook offers insight into the

creation of each stamp, as the men and women behind the commemorative program discuss the process of creating tiny masterpieces to honor the people and places that inspire and enchant us. Beautifully designed as a keepsake for collectors of all ages, The 2004 Commemorative Stamp Yearbook is the perfect way to capture the beauty and diversity of the year's stamp program. Featuring space for collectors to affix their matching stamps, this is a book no stamp enthusiast will want to be without.

About the Author William J. Henderson is the Postmaster General and Chief Executive Officer of the United States Postal Service. James L. Bruns is Director of the National Postal Museum, Smithsonian Institution, located in Washington, DC.
