Shirley Spalding Devoe : The Art of the Tinsmith: English and American before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of the Tinsmith: English and American:

Tin has been used since ancient times to make vessels of many sorts. Here is a tribute to the men and women who made and decorated utilitarian tinwares on both sides of the Atlantic Ocean. Shirley DeVoe has gathered a rich history of the manufacturing process and methods of decoration. Her examples demonstrate the variety of wares and details which help identify English and American workmanship.
