Thank you! 3 of 3 people found the following review helpful. The Bakelite Jewelry Book By Catherine Taylor Love this book! Beautiful photography and good explanation of bakelite history. A must have for a collectors library. Wish I had been involved in the publishing of this book. It must of been a delightful ride to see all the vintage bakelite. Like being in a candy store. Corinne Davidov and Ginny Redington Dawes did a wonderful job. But please invite me next time, okay? :-)
