Caroline C. Warren David P. Lindquist : The Big Book Of Antique Furniture before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book Of Antique Furniture:

0 of 0 people found the following review helpful. Five StarsBy Virginia P.Love this book!1 of 3 people found the following review helpful. Not impressedBy Kindle CustomerThe prices were not current, and too few American Oak antiques. It was not worth the money that we paid.

English, Colonial, and Victorian furniture comprise the most widely collected area of antiques in the US. This new massive reference combines 3 great volumes thoroughly covering these furniture styles. Colonial coverage ranges from 1875 to 1940, while English and Continental coverage is from the Renaissance to the early 20th century, and Victorian includes most of the 19th century. Each furniture section includes hundreds of photos, in depth explanations of furniture styles, history, and current prices. Collectors will learn how to determine value, types of construction techniques, and the aging effects of wood. The index makes it easy to locate specific furniture pieces. *Individual sections on English and Continental, Colonial, and Victorian furniture *In depth coverage with current prices and history *Three great books in one massive reference--an amazing value
