From Dover Publications : The Great American Antique Toy Bazaar 1879–1945: 5,000 Old Engravings from Original Trade Catalogs (Dover Pictorial Archives) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Great American Antique Toy Bazaar 1879–1945: 5,000 Old Engravings from Original Trade Catalogs (Dover Pictorial Archives):

0 of 0 people found the following review helpful. Lovely Book!By Mom2MaeWe love this book! It is a fun way to

learn about different times. We have started coloring the pages and it makes a unique coloring book, though it does not take markers very well. We have also discovered that it is an interesting and fun book to play around with, such as coloring or imaginative play. It is a nice addition to any bookshelf. The quality is good and there have been no problems in shipping, printing, or service.0 of 0 people found the following review helpful. book reviewBy G. DzaraTHE GREAT AMERICAN ANTIQUE TOY BAZAAR, is the best compact toy reference that I've found for late 19th early 20th century toys. The illustrations are fabulous and the original prices are astounding. While there are more specialized works, this book will be a great asset for anyone interested in early toys.0 of 0 people found the following review helpful. Toys and their SellersBy C Cottage AntiquesAn interesting read and informative book featuring original ad pages for toys from different sellers. Fun to read and great for a resource in dating play things.

Artists, craftspeople and antique toy buffs will welcome this magnificent collection of antique toy illustrations reproduced from rare original trade catalogs. Spanning 66 years of toy production in America, this volume comprises a trove of 5,000 royalty-free illustrations, perfect for adding old-fashioned charm to advertisements, book and magazine illustrations—almost any graphics project. Dating from 1879 to 1945, these graphics originally appeared in the catalogs of such well-known merchants as Best and Company, Butler Brothers, Marshall Field Co., Montgomery Ward, and many others. They depict an extraordinary variety of toys and old-time amusements, including rocking horses, toy carriages and wagons, antique bicycles, lively mechanical toys, trains, sleds, all manner of dolls, an amazing array of novelty items, and much more. Each toy appears with its original descriptive caption and price, making this not only a rich source of immediately usable illustrations, but an important reference tool for antique toy collectors, and a fascinating browsing book for lovers of nostalgia. 5,000 black-and-white illustrations.
