**From Primedia : The Official Tractor Blue Book 2010** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Official Tractor Blue Book 2010:

0 of 0 people found the following review helpful. hard work pays offBy lightThis is an excellent piece of work. It takes a lot of work to come up with a product that really helps the average person and this is one of them. It list everything one would need to purchase a tractor and pay a reasonable price and know what you are getting. Thank you very much for this book.2 of 2 people found the following review helpful. research analystBy Richard HardawayThe Official Tractor Blue is good, but I think the Hotline Farm Equipment Guide is better, and has more info.
